
Accounting Essentials

Objective: This is a short-term, entry-level program designed to prepare graduates for employment as accounting or bookkeeping assistants, office bookkeepers, payroll clerks, AR/AP clerks, or data entry clerks. The graduate has a variety of accounting, computer, and general office skills to meet the needs of employers. Employable skills, vocationally directed, are in keeping with the mission of the College.

The student is prepared for the four-part national Certified Bookkeeper examination through The National Association for Bookkeepers, as well as the Microsoft Certified Application Specialist (MCAS) Certificate in Excel.

Note: All units in this program are transferable to the Specialized Associate Degree – Accounting program.

Expected Educational Outcomes: Upon completing the Accounting Essentials program, students will have demonstrated:

1. The ability to maintain a set of accounting records for a business and complete the year-end financial reporting requirements.
2. The critical thinking skills required to analyze business transactions and make the necessary judgment to ensure accounting records are maintained in accordance with Generally Accepted Accounting Principles (GAAP).

Diploma awarded upon successful completion of all graduation requirements.
