

The Evening Star

Empire College Evening School Student Newsletter - 15th Edition - March 12, 2009

CONGRATULATIONS MAE ROSE AND JIM ON THE ARRIVAL OF ARTHUR JAMESON BELLAGIO!

A new Evening Star arrived on February 11th! Arthur is certainly the little leprechaun in the Bellagio family and I'm sure will bring Mom and Dad much happiness! We can't wait to see Mae Rose's brag book when she returns as the Evening Student Success Advisor.

Congratulations also to Nora Songster who will step into the role of the day school Student Success Advisor. We will certainly miss her in the evenings, but we know that the day students will love her! Don't forget to visit, when you can !

A great big Evening Star "hooray" to Julia Balestrieri who has had a job offer in the legal field in Los Angeles. She only has 2 classes to finish and then will be on her way to the big, big city. We know she will be a wonderful representative of Empire College and wish her well in her future endeavors. Show them what Northern California can do, Julia!

She got the job! Congrats to Deborah Hart-Tinsley who was hired by Audiology Associates as a Laboratory Technician. We know you'll be a shining example of Empire's best!

Alert from our Medical Department: VOLUNTEERS ARE NEEDED ! There is a blood pressure clinic scheduled for next week, and more events to come. See Nicole Kauhi for information and to sign up or go to the website at www.empirestudent.com/volunteer.asp and check out the possibilities. Everyone can use a helping hand!

Lucky Thoughts from Space:

"Why should you never iron a four-leaf clover? ...You don't want to press your luck!" ~Daryl Stout

Remember...
Sometimes not getting what you want
is a wonderful stroke of luck!

Congratulations to the new Evening IMA co-directors, Samantha Bauer and Serena Byrd. They have already conducted their first meeting and are planning some fun and tasty fundraisers! The first fundraiser will be on March 25, during the faculty meeting, from 7:40 pm to 8:20 pm. All students are invited to join them in the student lounge for pizza, salad and soda for the low, low price of \$3. Raffle tickets will also be sold for \$1 each. You could win a festive spring-themed basket!

The Evening IMA students will be attending the “Student Night” parent chapter dinner on March 24. Scholarships will be awarded, and we’re crossing our fingers that the Evening Star attendees will be well represented ! Maybe some “Luck of the Irish” will rub off !

A great big welcome to Kim Williams, who has joined the Evening Medical Faculty. Kim is a 2002 graduate of Empire, and has been employed as clinical medical assistant since that time. Also, welcome Nathan Casey, who has joined the Evening IT Faculty. Nathan is a graduate of the University of San Francisco and has a long list of professional certifications. We are very fortunate to have both of you and hope you enjoy our Evening Stars !

News from the IT Department:“New computers with virtual machines—We are cutting edge now !!“ Ok, we expect the next space movie to come directly from our Empire IT experts. Don’t forget to include the Flight Deck !

Mark your calendars for the Easter Party, Thursday, April 9, 3:30 pm to 5 pm in the Student Lounge. Bring the family to see the Easter Bunny and participate in the Egg Hunt at our holiday potluck party. Fun for all!

~ May your month be full of luck and promise! ~
R2D2 and OB1
