## THANKFUL TIDBITS

### Career Services is Coming!!!

Get ready for some new faces upstairs! Lucille Inman, director of the Career Services department, will be joining us upstairs two nights a month! She is excited to be able to expand her availability to the evening school by having a convenient upstairs location! Lucille will be here on Tuesday, November 17, and Wednesday, November 18, from 6:00 to 7:30 p.m. in the conference room next to the Student Success office. To celebrate, we'll be having a drawing for a beautiful leather Empire College portfolio. Watch for the entry cards to be handed out in your classes. All you have to do is fill it out, and stop by and introduce yourself to Lucille.

Career Services can help you with your job outlook, salary information, help you perfect your resume and help you with interviewing skills! Please bring a draft of your resume (and your smile!) for Lucille to review. To receive assistance from Career Services, you need to have a 2.0 GPA or higher, have at least 80% attendance, and be in a standard program. Not sure if you qualify? Feel free to stop by the Flight Deck and ask!

Empire College has won the California Association of Private Postsecondary schools' School of the Year Award! This award recognizes one of CAPPS' 600 member institutions for their leadership, contributions and excellence in several areas, including: legislative, public relations, community outreach, volunteerism, career services and educational programs. Congratulations team!
