IMA EXCELLENCE!

Accounting students from the Empire student chapter of the Institute of Management Accountants (IMA) attended a scholarship dinner party hosted by their parent chapter on March 20, 2008. They were able to network with accountants currently employed in Sonoma County before the dinner, and then each student was introduced to the membership during the meal. Afterwards, seven scholarships were awarded to students from various colleges. Two Empire College students, ACELA MARTINEZ and KASSONDRA BAAS, received scholarships based on their outstanding applications which included their resumes, letters of reference, and their grade transcripts. Congratulations!!!

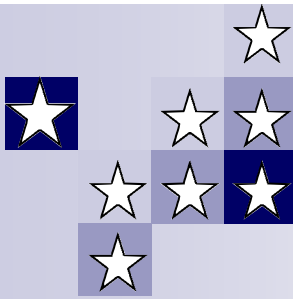

DONATIONS NEEDED!!!

On April 9, Empire College will be having a fundraiser which will help Lilly, a 4 month old baby affected by a condition known as AMC. By donating your clothing and shoes, her family will be able to continue aggressive treatment and spread awareness of the disease. Clothing can be left in room 205 before April 4th. Please be sure it is clean and either new or "gently" used.
