An emergency is defined as a serious illness or injury to the student or a member of his or her immediate family. Special circumstances are defined as other situations that, in the opinion of the Dean, are sufficient to warrant delay in taking examinations. **Any student taking delayed examinations must have the prior written approval of the Dean.** No examination may be taken prior to the day of the regularly scheduled examination. If delayed examinations are approved by the Dean, **a fee of \$75 will be charged for each such exam taken.** Failure to complete an exam is not sufficient a reason for a late or retake exam.
