CLASS DESCRIPTION: Theory of accounting for end of the year procedures and for special functions involving partnerships.

CLASS OBJECTIVES:

1. To complete the accounting cycle, including the worksheet, adjusting entries, financial statements and closing entries.
2. To introduce partnership transactions.

CLASS FORMAT OVERVIEW: The material will be presented in a lecture-discussion format. The student should be prepared to present solutions to the exercises and problems at the end of each chapter.

Each student is scheduled for a lab hour where a teacher or lab assistant is available to answer questions.

REQUIREMENTS: The assignments selected for grading must be turned in according to the instructor's schedule. The instructor will check the graded problems for accuracy, form, and neatness. Any late assignments will be penalized 10%.

TESTING AND FINAL GRADE:

Tests must be taken on the scheduled day. A 10% penalty will be assessed for late tests. Exceptions may be made at the instructor's discretion. There are two tests that must be taken to satisfactorily complete the course. The final grade for the class will be based 70% on test scores and 30% on instructor's course requirements.
